Subject: SEQ search request 10/023529

I would like to request an expedited sequence search for application 10/023529 because this is an amended case due this bi-week. Please search commercial databases and published patent databases.

10/023529

SEQ ID NO: 44: Oligomer search
SEQ ID NO: 44: standard search

Please print out **100 hits** from oligomer search results and **50 hits** from standard search results

Thank You.
Rita
